

Summer of Adventures Permission Slip

Dear Parents,

During the summer we will be doing many activities like sports, games, and more. We will keep all the kids at the park and supervise them at all times. If a child wants to leave we will call the parent/guardian to get verbal permission.

Bumps and bruises do happen when children are not sitting in front of the television and when an incident happens, we will administer first aid and let you know about the circumstance involved. Anything needing more than a band-aid and a hug, we will call the numbers listed below. In the unlikely event that there is something we feel requires "Emergency" care, we will call 911 and notify you immediately. Please be sure to list any cell numbers or emergency numbers so that we have access to a responsible adult in case any emergency arises. We also have a kiddie pool and a slip and slide so your child might get wet.

Once again, we would like the adult who brings the child to day-camp each day, to sign the child in. With this addition, we will know exactly who is participating in the program and we can differentiate from the older children who are just passing by. If your child will be walking or riding their bike to camp please send a note indicating this. If your child is allowed to come and go as they please, sign the form at the bottom.

We take our positions as caretakers of your children very seriously. We will ensure that all the "fun" activities in which your child participates are within the boundaries of safety.

The Wilcox Library will be having a Summer Reading Program every Monday, Tuesday, and Thursday on the below weeks from 10:00 - 11:30.

Weeks of: June 14 - 17
 June 21 - 24
 June 28 - July 1
 August 2 - 5
 August 9 - 12

Monday: Kindergarten through 2nd grade

Tuesday: Preschool

Thursday: 3rd through 6th grade

We encourage kids taking part in the Summer Reading Program and taking advantage of all the activities and programs Wilcox has to offer. If you would like us to pick up your child at 11:30 and walk with them back to the park please indicate below.

This year we will be attending Bendigo State Park and Twin Lakes. We are planning to go to Twin Lakes on June 30, 2010 from 10-3. More information will be given at a later date. Bendigo dates are still undecided.

Sincerely,
Jenna Haight and staff
